# Pretty in Pink

Our signature pretty pink trailer can be the focal point, in the background, or along the side at your wedding. Your guests will enjoy our shabby chic, professional atmosphere as we serve a handcrafted menu designed around you and your wedding day! Our mobile set up is all inclusive, and will enhance your wedding rehearsal or social hour by providing you and your guests with quality products and professional service they are sure to remember!

## Why 3andME?

For coffee lovers, kids and as an alternative to alcoholic beverages, 3andME ensures that all of your guests have a drink in their hand!

*I had the 3andMe pretty pink trailer at my wedding and it was such a big hit! All of my guests walked outside for the social hour after our ceremony, to enjoy a latte, Italian soda, or a hot apple cider with one of our engagement photos on the personalized sticker. It did rain for my wedding- but Rachael called the venue and had everything set up so I didn't have to think about one more thing! Definitely recommend! -Ashley*

- Our pretty pink trailer is 30' long, so it is best set up outside. However, we are a preferred vendor with the Bismarck Event Center so we can set up inside and serve both food & drink. Please make sure your venue allows for outside vendors.
- We use 220v/50amp power and need 4-pronged outlet. We do have a generator, but it is not silent.
- Our professional baristas will stay on-site to serve you and your guests efficiently.
- We are ND State licensed and fully insured.
- We are current Pride of Dakota members.

## Fee Structure

Pricing begins at \$1500, and this price includes some (not all) food & drink. We ask you to contact us with information about your wedding, (location, guest count, desired menu) and we can then provide you with an individualized quote.

Combine two events or more (engagement party, bridal shower, rehearsal dinner, day-of catering or social hour) and receive a 20% discount.
