- Our pretty pink trailer is 30' long, so it is best set up outside. However, we are a preferred vendor with the Bismarck Event Center so we can set up inside and serve both food & drink. Please make sure your venue allows for outside vendors.
- We use 220v/50amp power and need a 4-pronged outlet. We do have a generator, but it is not silent.
- Our professional baristas will stay on-site to serve you and your guests efficiently.

- We are current Pride of Dakota members.
